TxDOT cordially invites you to attend a virtual public meeting regarding the proposed I-20 Six-Lane Widening Project. This project looks to bring future safety and mobility improvements to the I-20 corridor from east of US 83 to near Buck Creek Road (CR 108) in Taylor and Callahan counties, approximately 11 miles.

A proposed roadway design for this stretch of I-20 has been prepared for public review and comment. TxDOT also looks for feedback on ramp location options and bicycle/pedestrian accommodations. Before TxDOT moves forward to the next step, public comment is requested.

YOUR INPUT IS REQUESTED
