Dumas, TX 79029

Amarillo

Dec. 5, 2024

2-4 p.m. and 6-8 p.m.

Diversity Church
5631 Pavillard Dr.
Amarillo, TX 79108

TxDOT's Amarillo District is hosting a virtual public meeting with in-person options to share an overview of and gather comments on the I-27 Feasibility Study from Amarillo to Dumas.

A brief presentation will take place within the first hour of each in-person public meeting. You are invited to attend at your convenience and provide comments, concerns and ask questions regarding the study area.

Alternate dates, Dec. 11, 2024, for Dumas and Dec. 12, 2024, for Amarillo, will be used in case of inclement weather; the venue locations and times will remain the same.

Study team members will be available at the in-person meetings to answer questions and provide information.

The public meeting materials will be available online on Dec. 4, 2024, by 2 p.m. To access this information or to learn more, visit [TxDOT.gov](https://www.txdot.gov) and search "I-27 Feasibility" or scan the QR code to the right. On the webpage, click the public engagement icon to provide your questions, concerns and feedback on the project map.

If you have questions, please contact TxDOT at AMA_Project_Input@txdot.gov.

*If you would like to have your comments included in the public meeting summary, please submit by **Friday, Dec. 20, 2024.***

If you need interpretation or translation services or you have a disability and need accommodations to attend and participate in the public meeting, please contact Laurel Munshower at 512-537-7117, no later than Wednesday, Nov. 27, 2024, at 5 p.m. CT. Please be aware that advance notice is required as some accommodations may require time for TxDOT to arrange.
