I-27 Feasibility Study from Amarillo to Dumas

I-27 Feasibility Study from Amarillo to Dumas

From SL 335 in Amarillo to US 287 North of Dumas

CSJs: 0904-00-242 | Randall, Potter and Moore Counties, Texas

The Texas Department of Transportation's (TxDOT) Amarillo District is conducting a feasibility study to evaluate the potential upgrade of US 87/US 287 to interstate standards (I-27). This notice advises the public that TxDOT will be conducting a virtual public meeting on the feasibility study with in-person options. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Wednesday, Dec. 4, 2024, at 2 p.m., and will remain online for the duration of the study.** To view the virtual public meeting, go to the following web address at the date and time indicated above: www.txdot.gov keyword search "I-27 Feasibility." If you do not have internet access, you may call 806-356-3200 between the hours of 9 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing two (2) in-person options for individuals who would like to participate in person instead of online. The in-person options will be held in a traditional public meeting format. The public will be able to attend an in-person presentation by TxDOT staff, review hard copies of project materials, ask questions of TxDOT staff and/or consultants and leave written comments. **The Dumas in-person option will be held on Wednesday, Dec. 4, 2024, from 2-4 p.m. and 6-8 p.m. at Moore County Community Building, 1600 South Maddox Dr., Dumas, TX 79029. The in-person Amarillo public meeting will be held on Thursday, Dec. 5, 2024, from 2-4 p.m. and 6-8 p.m. at Diversity Church, 5631 Pavillard Dr., Amarillo, TX 79108.** In case of inclement weather, the Dumas public meeting will be held at the same place and times on Wednesday, Dec. 11, 2024, and the Amarillo public meeting will be held at the same place and times on Thursday, Dec. 12, 2024.

This study will evaluate the potential upgrade of US 87/US 287 to interstate standards (I-27) from Amarillo to Dumas, covering US 87/US 287 in Randall, Potter, and Moore counties from State Loop (SL) 335 in Amarillo to a logical terminus north of Dumas at US 287.

Project materials are available online at www.txdot.gov search "I-27 Feasibility." These materials will also be available in hard copy form for review at the in-person option.

In-person participants are welcome to attend at their convenience from 2 p.m. to 4 p.m. or 6 p.m. to 8 p.m. and will be able to review project materials, ask questions of TxDOT staff and/or consultants and leave written comments.

The in-person public meetings will be conducted in English. If English is not your primary language or you have difficulty communicating effectively in English, you may need an interpreter or document translator; one will be provided to you upon request. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. Please contact Laurel Munshower at 512-537-7117, no later than 4 p.m. CT, Friday, Nov. 29, 2024. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

El reunión pública se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en reunión pública, por favor póngase en contacto con Laurel Munshower, al número 512-537-7117 a más tardar a las 4 p.m. hora central, 29 de noviembre. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que TxDOT los organice.

Written comments from the public regarding the feasibility study are requested and may be submitted at the in-person public meetings, online through the interactive map on the study website, by email to [AMA Project Input@txdot.gov](mailto:AMA_Project_Input@txdot.gov), or through mail to TxDOT Amarillo District, I-27 Feasibility Study Team, 5715 Canyon Dr., Amarillo, TX 79110. The public comment period will be open from Wednesday, Dec. 4, 2024, to Friday, Dec. 20, 2024. All comments must be received or postmarked on or before Friday, Dec. 20, 2024. Responses to comments received will be available online at www.txdot.gov search “I-27 Feasibility” once they have been prepared.

If you have any general questions or concerns regarding the feasibility study, please contact the I-27 Feasibility Study from Amarillo to Dumas team at 806-356-3200 or [AMA Project Input@txdot.gov](mailto:AMA_Project_Input@txdot.gov).
