

Notice of Online Comment Opportunity
Texas Department of Transportation
2021 - 2024 Rural Transportation Improvement Program Revision
Amarillo District

The Texas Department of Transportation (TxDOT) Amarillo District is conducting outreach to provide the public with an online comment opportunity for the proposed revision to the 2021-2024 Rural Transportation Improvement Program (Rural TIP). An in-person or virtual public meeting is not scheduled; however, the public is encouraged to view project information and submit comments about the revision by Monday, Feb. 1, 2021.

The purpose of the online comment opportunity is to receive comments on the revision to the 2021-2024 Rural Transportation Improvement Program (Rural TIP) for the Amarillo TxDOT District. The projects that will be affected by the revision include US 87, Hartley and Moore Counties upgrading from two-lane to a four-lane divided highway. These two projects have been removed from the Rural TIP and will be rescheduled once funding is made available.

- CSJ: 0425-01-021, US 87 in Hartley County (From east of US 385/US 87 Interchange to Moore County Line)
- CSJ: 0425-02-037, US 87 in Moore County (From Hartley County Line to FM 2589)

The 2021-2024 Rural TIP meeting was held in the spring pursuant to *Title 43, Texas Administrative Code, Section 16.102*, which calls for an opportunity for public comment concerning the program. As a continuation of the public involvement effort, the online comment opportunity will offer the public a chance to comment on the revision to the previously presented Rural TIP.
