

STATE LOOP 335, SEGMENT C-2

AMARILLO DISTRICT

Virtual Public Hearing with an In-Person Option

Fact Sheet

Project Limits:

SL 335 from FM 1719 (Western Street) to Echo Street and US 87 from north of Hastings Avenue to south of Cherry Avenue.

Meeting Details:

- Where:** In-Person: Diversity Church
5631 Pavillard Drive
Amarillo, TX 79108
- Virtual: www.txdot.gov
Keywords: "SL 335 Segment C-2"
- When:** Thursday, March 28, 2024
- In-Person: 6 – 9 p.m.
Open House: 6 – 6:30 p.m.
Public Hearing: 6:30 – 9 p.m.
- Virtual: March 28, 2024, by 5 p.m.
- Why:** Provide an opportunity for the public to be involved in the planning process of the project and ancillary improvements and also provide the opportunity to give formal, recorded comments.

Scope of Work:

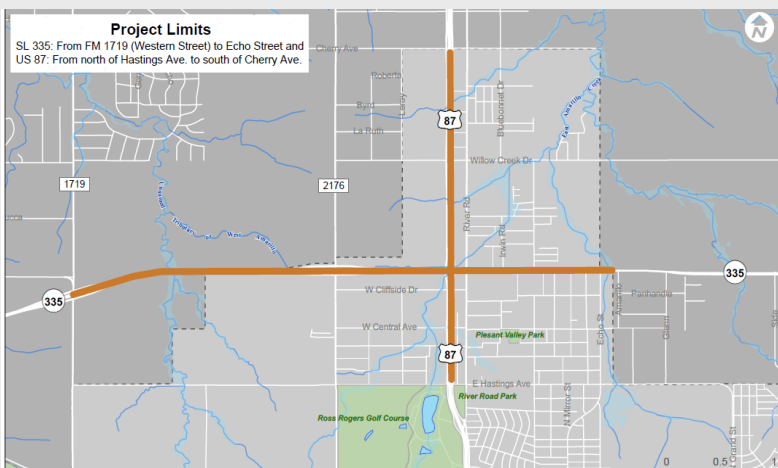

The proposed project would consist of improving an existing four-lane divided roadway with ramps, four direct connectors planned as an ultimate connection to/from US 87 north of SL 335, one-way frontage roads, and grade separations over intersecting cross streets. The proposed project would also provide bicycle and pedestrian accommodations via an 11-foot shared-use path adjacent to each frontage road.

The proposed project along US 87 north of SL 335 would consist of improving the existing four-lane divided roadway to allow for connections from the four direct connectors planned as an ultimate connection to/from SL 335 and provide bicycle and pedestrian accommodations via an 11-foot shared-use path adjacent to each frontage road.

The proposed project along US 87 south of SL 335 would consist of improving the existing four-lane divided roadway with bicycle and pedestrian accommodations, including a striped 5-foot bicycle lane with 2-foot delineated separation along the outer edge of each frontage road and 6-foot sidewalks adjacent to each frontage road.

The Virtual Public Hearing will provide exhibits which include the proposed location of the corridor centerline and general proposed right of way (ROW) footprint; configuration and location of interchanges; and bicycle and pedestrian accommodations. The final determination of the ROW needed, or relocation requirements will not be known until the schematic is approved.
