### **Texas Department of Transportation**

### **2027 – 2030 Rural Transportation Improvement Program**

### **Atlanta District**

The Texas Department of Transportation (TxDOT) – Atlanta District will conduct an online virtual public meeting for the 2027 – 2030 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on which transportation projects may be coming to your area. The Atlanta District includes Bowie, Camp, Cass, Harrison, Marion, Morris, Panola, Titus, and Upshur counties. The Rural includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of MPO boundary, and within a TxDOT district during the next four years, including those eligible for federal funding. As such, this meeting offers the public an opportunity to review and comment on the proposed priorities. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

You have one option to participate in the meeting and learn more about projects in Atlanta District.
