RM150 ALIGNMENT

OPEN HOUSE

In 2014, Hays County began studying RM 150 to identify the alignment from just west of Kyle to near I-35. Since the last public meeting in 2015, the County and TxDOT have been coordinating to identify roles, responsibilities, and funding for the continuation of the environmental study. Please attend an open house to get an update on the project, visit with the team, and share your input.
