

RM 1826 FEASIBILITY STUDY

VIRTUAL AND IN-PERSON PUBLIC MEETING

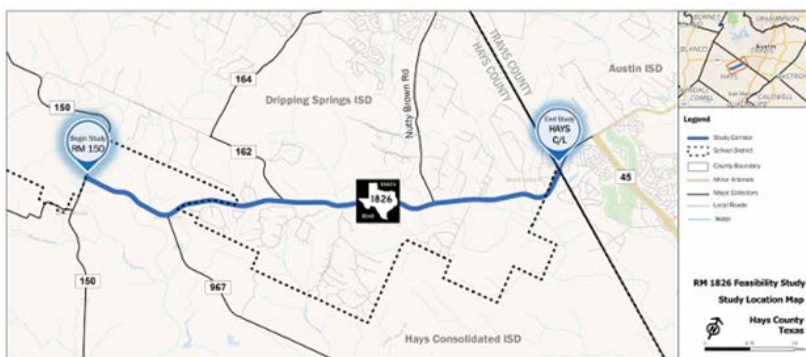

We want to hear from you.

June 25, 2024

5 to 7 p.m.

Real Life Church
13701 RM 1826
Austin, TX 78737

TxDOT is hosting a virtual public meeting with in-person option to identify and gather feedback on potential improvement concepts that align with TxDOT's mission and reflect community values. No formal presentation is planned, and community members are invited to come and go at their convenience.

Study team members will be available to answer questions and provide information.

The workshop materials will also be available online July 25, 2024, by 5 p.m. To access this information, visit [TxDOT.gov](https://www.txdot.gov) and search "RM 1826 Feasibility Study."

If you have questions, please contact TxDOT at AUS_RM1826CountyLine@txdot.gov or (512) 766-8891.

*If you'd like to have your feedback included in the workshop summary, please submit by **Tuesday, July 16, 2024**. We will continue to collect feedback throughout the process and encourage you to share your comments through any of these methods on an ongoing basis.*

The workshop will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the community workshop, please contact Sarah Hay at (512) 766-8891, no later than Wednesday, June 19, 2024, at 4 p.m. CT. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been carried out by TxDOT pursuant to 23 U.S.C. 327 and a memorandum of understanding dated December 9, 2019, and executed by FHWA and TxDOT.
