

RM 2243 (Leander Road) Improvement Project

The City of Georgetown, in coordination with the Texas Department of Transportation, is proposing safety and mobility improvements along RM 2243 (Leander Road) from Southwest Bypass to Norwood Drive, as well as pedestrian and bicycle improvements from Southwest Bypass to the I-35 Frontage Road.

This project aims to improve safety and mobility for all travelers, provide safe turning access to and from the adjacent school and neighborhoods, improve pedestrian and bicycle connectivity, and improve access to Southwest Bypass.

PROPOSED IMPROVEMENTS

Widen the road to two lanes in each direction

Construct raised medians with turn lanes

Reconstruct the Southwest Bypass intersection

Install a new signal at RM 2243 and River Ridge Drive

Provide additional pedestrian and bicyclist paths

PROCESS & TIMELINE

2019 TO 2022

Collect & Analyze Data
Develop Draft Schematic

2023

Collect Public Input

2023 TO 2024

Refine Schematic
Environmental Clearance

2024 TO 2025

Design Finalization
Right-of-Way Acquisition
Utility Relocations

2026

Anticipated Construction Start
