CSJs: 0683-01-100 & 0683-02-079  
Travis and Williamson Counties, Texas**

The Texas Department of Transportation is proposing improvements to RM 620 at Anderson Mill Road from south of Foundation Road to Little Elm Trail in Travis and Williamson counties, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting for the proposed project. The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online beginning at 10 a.m. on Thursday, Aug. 26, 2021. To log onto the virtual public meeting, go to [www.txdot.gov](http://www.txdot.gov), keyword search "620 Anderson Mill." Following the virtual public meeting, the presentation will remain available for viewing at the web address indicated above until Friday, Sept. 10, 2021 at 11:59 p.m. If you do not have internet access, you may call 512-865-7945 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Formal comments may be provided by mail or email as explained below.

TxDOT proposes improvements at the intersection of RM620 and Anderson Mill Road to enhance safety and improve mobility. The RM 620 at Anderson Mill Road intersection is one of the most congested along the corridor. The proposed project would extend for a total of 1.2 miles along RM 620, from approximately 240 feet south of Foundation Road to Little Elm Trail, and would include two- to three-lane frontage roads, elevated bypass lanes at Anderson Mill Road and El Salido Parkway, intersection improvements, and improved bicycle and pedestrian accommodations.

The proposed project would be subject to final design considerations, require additional right of way, and potentially displace 20 non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners can be found by going to <https://www.txdot.gov/inside-txdot/forms-publications/publications/landowner-rights.html>.

At least part of the proposed project would occur within the Edwards Aquifer Recharge Zone.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between 8 a.m. and 5 p.m. at 7901 North I-35, Austin, TX 78753. Call 512-832-7000 for an appointment. Project materials are also available online at [www.txdot.gov](http://www.txdot.gov), keyword search "620 Anderson Mill."

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to participate in the virtual public meeting, please contact Shannon Barrientes at (512) 253-4941, no later than 4 p.m. CT, Monday, August 23, 2021. Please be aware that advanced notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted directly online by visiting the website at [www.TxDOT.gov](http://www.TxDOT.gov) and by searching "620 Anderson Mill" to find the meeting page. The form can also be downloaded and submitted by mail to Matthew Cho, P.E., TxDOT project manager, TxDOT Austin District Office, P.O. Box 15426, Austin, Texas 78761-5426 or by email to [Matthew.Cho@txdot.gov](mailto:Matthew.Cho@txdot.gov). All comments must be received on or before Friday, Sep. 10, 2021 to be included in the official meeting record. Responses to comments received will be available online at [www.txdot.gov](http://www.txdot.gov), keyword search "620 Anderson Mill" once they have been prepared.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Matthew Cho, P.E. at 512-865-7945 or by email at [Matthew.Cho@txdot.gov](mailto:Matthew.Cho@txdot.gov).

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.*
