

# UPCOMING PUBLIC MEETING

## SH 21 from County Road to Old Highway 20 Bastrop County

The Texas Department of Transportation cordially invites you to attend a virtual public meeting with an in-person open house option for the proposed improvements to SH 21 from County Road (formerly CR130) to Old Highway 20 in Bastrop County.

### SH 21 Proposed Improvements

TxDOT proposes improvements to SH 21 from County Road to Old Highway 20 in Bastrop County, Texas. The purpose of this project is to improve safety and mobility. Improvements include:

- Widening the roadway to create a four-lane divided highway (two lanes in each direction)
- Separating travel lanes by adding a grassy median using a Restricted Crossing U-turn (RCUT) intersection configuration, reducing the number and type of conflict points, thus reducing crash potential
- Designing the typical roadway to include 12-foot-wide lanes, 10-foot-wide outside shoulders and 4-foot-wide inside shoulders
- Constructing a new bridge over US 290.

The proposed project would require new right of way.

If you do not have internet access or would like additional information, please call (512)340-1184. If you would like an email notice when the virtual public meeting goes live, please email SH21.Paige@gmail.com or call (512)340-1184.
