

# US 290 Giddings Mobility Study

## COMMUNITY AND BUSINESS WORKSHOP

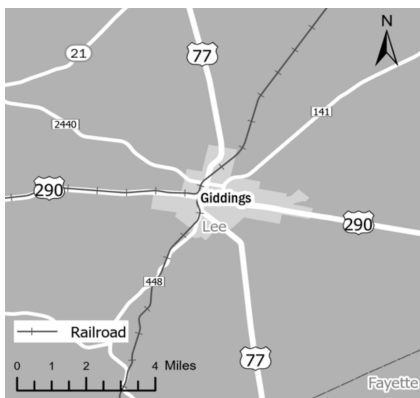

### Join us for a Community and Business Workshop

**Oct. 30, 2023**

**4 - 7 p.m.**

The Silos on 77  
1031 County Road 223  
Giddings, TX 78942

At the request of the Giddings City Council and Lee County Commissioners Court, TxDOT has initiated the US 290 Giddings Mobility Study to develop and evaluate preliminary options to improve mobility, safety and emergency response times and to address conflicts with the railroad in the City of Giddings in Lee County.

At this community and business workshop you'll have the opportunity to learn more about this study and to share information about community and environmental resources in the area. TxDOT will also be asking for feedback from the community on current mobility challenges and business-related questions or concerns associated with the study.

The workshop materials will also be available online Monday, Oct. 30, 2023, by 5 p.m. To access this information, visit [TxDOT.gov](http://TxDOT.gov) and search "US 290 Giddings Mobility Study".

If you have questions, please contact Megan Dutton, P.E. at 737-272-7027.

If you'd like to have your feedback included in the workshop summary, please submit by **Tuesday, Nov. 14, 2023**. We will continue to collect feedback throughout the study process and encourage you to share your comments through any of these methods on an ongoing basis.

The Community and Business Workshop will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the community workshop, please contact Shelley Law at 512-705-9169 no later than Wednesday, Oct. 25, 2023 at 4 p.m. CT. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been carried out by TxDOT pursuant to 23 U.S.C. 327 and a memorandum of understanding dated December 9, 2019, and executed by FHWA and TxDOT.
