

## Notice of an In-Person Public Meeting with a Virtual Option

**US 77 From FM 2440 to SH 21**  
**CSJs: 0211-04-024 & 0211-07-045**  
**Lee County, Texas**

The Texas Department of Transportation (TxDOT) is proposing to improve US 77 from FM 2440 to SH 21 in Lee County, Texas. This notice advises the public that TxDOT will be conducting an in-person public meeting on the proposed project with an online virtual option. The in-person public meeting will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants, and leave written comments. **The in-person option will be held on Thursday, Feb. 19, 2026, from 4:30 p.m. to 6:30 p.m. at American Legion York Post 276, 1502 US 77, Giddings, TX 78942.**

**The virtual public meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online on Thursday, Feb. 19, 2026, by 4:30 p.m.** To view the virtual public meeting, go to the following web address at the date and time indicated above: [www.txdot.gov](http://www.txdot.gov), keyword search "US 77 from FM 2440 to SH 21". If you do not have internet access, you may call 512-952-8270 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

TxDOT is conducting a schematic and environmental plan for roadway improvements along US 77 from FM 2440 to SH 21, a length of approximately eight miles. The purpose of the project is to improve safety and enhance mobility for the roadway users.

The proposed project would widen US 77 from an existing four-lane, undivided highway to a four-lane, divided highway with a grassy median. The improvements include replacing existing bridges at multiple locations, implementing the Reduced Conflict U-Turn (RCUT) at intersections, adding new acceleration and deceleration lanes along the corridor, and constructing a new 10-foot-wide shared-use path on the west side of US 77 from West Independence Street to Giddings High School to accommodate bicyclists and pedestrians.

Although additional right of way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the

tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by calling 512-832-7000.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Bastrop Area Office, 174 SH 21 E., Bastrop, TX, 78602. Project materials are also available online at [www.txdot.gov](http://www.txdot.gov), keyword search "US 77 from FM 2440 to SH 21". These materials will also be available in hard copy form for review at the in-person public meeting.

The in-person public meeting and virtual option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Lianna Ybarra, Project Consultant, at 210-349-3273 no later than 4 p.m. CT, Monday, Feb. 16, 2026. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to Poznecki-Camarillo, LLC, c/o US 77 Project Team, 4801 Northwest Loop 410, Ste. 108, San Antonio, TX 78229 or by email to [aus\\_us77@txdot.gov](mailto:aus_us77@txdot.gov). All comments must be received on or before Monday, March 23, 2026. Responses to comments received will be available online at [www.txdot.gov](http://www.txdot.gov) once they have been prepared. Additionally, members of the public may call 210-864-0049 and provide a voicemail.

If you have any general questions regarding the proposed project or virtual meeting or in-person option, please contact Minh Dang Bennett, TxDOT Project Manager, at 512-952-8270 or by email to [aus\\_us77@txdot.gov](mailto:aus_us77@txdot.gov).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated July 17, 2025, and executed by FHWA and TxDOT.
