

# SH 105 Improvement Project

CSJ (Project Number): 0339-04-036

## What is this Project About?

TxDOT Beaumont District is proposing to reconstruct and expand SH 105 in Hardin County, Texas from 0.1 mile east of SH 326 in Sour Lake to Pine Island Bayou near Bevil Oaks.

The proposed improvements to the approximately 7.3-mile-long project include:

- Replacing the existing two-lane roadway with a four-lane divided roadway with shoulders and a median
- Adding a raised median as well as shared-use lanes to accommodate bicyclists and sidewalks for pedestrians within the Sour Lake city limits
- Adding a 48-foot-wide depressed median, median crossovers and four-foot-wide inside shoulders with 10-foot-wide shoulder outside the city limits

Approximately 171 acres of additional right of way and 5.3 acres of proposed construction and drainage easements would be required.
