

# VIRTUAL PUBLIC MEETING WITH IN-PERSON OPTIONS US 69 LUMBERTON-KOUNTZE RELIEF ROUTE

The Texas Department of Transportation (TxDOT) Beaumont District invites you to participate in a virtual public meeting with in-person meeting options to gather input on the proposed relief route that stretches approximately 20.2 miles from Cooks Lake Rd (South of Lumberton) to FM 1003 (north of Kountze) in Hardin County.

The in-person public meetings provide exhibit materials and maps, while the virtual public meeting will include a pre-recorded presentation. Attendees can come-and-go at their convenience. Staff will be on hand to discuss the proposed improvements, answer questions and show maps of the study area and proposed alternatives.

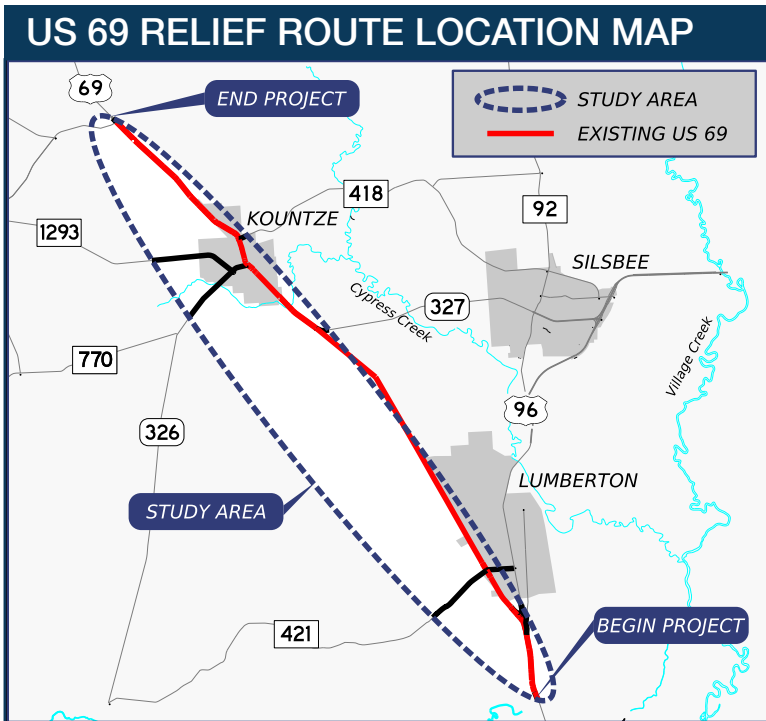

All interested community members are invited to attend this public meeting. The public meeting will be conducted in English. Persons interested in attending who have special communication or accommodation needs, or require an interpreter, are encouraged to contact TxDOT Public Information Officer Sarah Dupre at (409) 898-5745. Requests should be made at least three days before the event. Every reasonable effort will be made to accommodate these needs.

Comments must be received by Friday, May 19, 2023, and may be submitted at the public meeting, or by mail, email, or online to:
