

Notice  
Virtual Public Meeting  
BS 6-R (Texas Avenue) Improvements  
From SH 21 to FM 60 (University Drive)  
CSJs: 0049-09-076, Etc.  
Brazos County, Texas

The Texas Department of Transportation (TxDOT), in collaboration with the Bryan/College Station Metropolitan Planning Organization (BCS MPO) and the City of Bryan, is holding a virtual public meeting to present proposed improvements along BS 6-R (Texas Avenue) from SH 21 to FM 60 (University Drive) in Bryan, Brazos County, Texas. Proposed improvements include raised medians, a shared use path, and sidewalks to enhance safety and improve mobility along the urban corridor for vehicles, pedestrians and cyclists. TxDOT seeks your input on the proposed project.

This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project. The virtual meeting will be available starting on **Wednesday, Dec. 8, 2021, at 3 p.m.** To log onto the virtual public meeting, go to the following web address: [www.txdot.gov](http://www.txdot.gov), keyword search “**Texas Avenue Improvements**”.

Project staff will give a pre-recorded project presentation which will include both audio and visual components. Please note that the presentation will not be available on the website until the time and date listed above. If you do not have internet access, you may call Haley Partin, Public Involvement Representative, at (979) 217-2062 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Formal comments may be provided by mail or email as explained below.

The existing Texas Avenue through the corridor consists of two travel lanes in each direction with a center turn lane. The existing Right of Way (ROW) width is generally 100 feet. Currently, pedestrian accommodations are not continuous through the corridor. The proposed improvements along Texas Avenue would maintain two travel lanes in each direction and construct raised medians, as well as bicycle-pedestrian accommodations including sidewalks and shared use paths. At primary intersections, the raised medians would taper to accommodate a dedicated left turn lane. U-turn opportunities would also be provided at selected locations.

Although additional ROW would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for ROW acquisition and construction can be obtained from the TxDOT district office by calling Melissa Sevilla, ROW Specialist, at (979) 778-9607.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at [www.txdot.gov](http://www.txdot.gov), keyword search “**Texas Avenue Improvements**”.

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Bob Colwell, Bryan District Public Information Officer, at (979) 778-2165 no later than 4 p.m. CT, Friday, Dec. 3, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the Texas Avenue Improvements Project Team, c/o CD&P, P.O. Box 5459, Austin, TX 78763. Written comments may also be submitted by email to [TexasAvenue@cdandp.com](mailto:TexasAvenue@cdandp.com). All comments must be received on or before **Thursday, Dec. 23, 2021**, to be included in the official meeting documentation.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Haley Partin, Public Involvement Representative, by phone at (979) 217-2062, or by email at [TexasAvenue@cdandp.com](mailto:TexasAvenue@cdandp.com).

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 9, 2019, and executed by FHWA and TxDOT.*
