### In-Person Open House with Virtual Option I-14 CENTRAL TEXAS CORRIDOR STUDY CSJ: 0917-00-050

The TxDOT Bryan District is studying the future I-14 Central Texas Corridor from Rogers in Bell County to Huntsville in Walker County. This Study will determine the feasibility of a corridor and route for a roadway that meets interstate standards. The I-14 Central Texas Corridor Study will align with ongoing statewide I-14 development and planning efforts to ensure consistency and continuity of the interstate corridor from west Texas to Louisiana. Additionally, the Study will include evaluation of the more recently designated future Loop I-214 around Bryan-College Station, which is anticipated to co-align with I-14 as it passes through the Bryan-College Station area.

This notice advises the public that TxDOT is hosting six (6) in-person open houses with a virtual option to introduce the Study, share background information, and gather feedback from local communities throughout the Study area. This is the first round of public open houses for this Study, all open houses will contain the same information and exhibits.

**The in-person open houses will be held from 4:30 to 6:30 p.m. at the following locations and dates:**
