The Bryan District of the Texas Department of Transportation (TxDOT) is evaluating a corridor for a proposed relief route around Madisonville. This meeting is scheduled for Tuesday, March 7, 2017 between 4:30 p.m. and 6:30 p.m. at the Truman Kimbro Convention Center. Maps showing the corridor location will be on display and TxDOT staff will be available to discuss the project.

Interested citizens are invited to attend and may come and go at their convenience. Information about this project is also available on the TxDOT *Projects and Studies* web page at <http://www.txdot.gov/inside-txdot/projects/studies/bryan.html>.
