The purpose of these meetings is to receive comments on the 2023-2026 Rural TIP Program for the Brownwood TxDOT District. The Brownwood District includes Brown, Coleman, McCulloch, Lampasas, Mills, San Saba, Stephens, Eastland, and Comanche counties. The Rural TIP includes all regionally significant projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding. These meetings offer the public an opportunity to review and comment on the proposed priorities. A project in the Rural TIP is a project coming to your community and is the first step on the road to producing a Statewide Transportation Improvement Program (STIP). The Rural TIP meetings are being held pursuant to *Title 43, Texas Administrative Code, Section 16.102*, which calls for an opportunity for public comment concerning the program.

All community members are encouraged to participate in any of the public meetings and provide written comments on the proposed program. Comments must be postmarked or otherwise received by June 3, 2022, to: Texas Department of Transportation, Brownwood District, Attn: Rural TIP; 2495 HWY 183 North, Brownwood, Texas 76802; or by email to jason.scantling@txdot.gov, Attention: Rural TIP. You may also submit comments online by visiting www.txdot.gov and keyword search: “**Brownwood District 2022 Rural TIP**.”
