6	Open Discussion/Wrap-Up	12-13

INTRODUCTIONS

PREVIOUS MEETINGS RECAP

Previous Meetings Recap

1. Conceptual Meeting – April 16, 2018

- Meeting was held to receive public comments on options for the rehabilitation of SH 256.

2. Public Meeting – February 25, 2019

- TxDOT presented four options based on the comments received from the Conceptual Meeting.
- The City of Memphis wanted TxDOT to proceed with a combination of those options.

PRESENTATION OF PROPOSED SCHEMATIC

Presentation of Proposed Schematic

1. TxDOT's Proposed Schematic

- Concrete pavement from US 287 to 5th Street
- Re-lay existing brick from 5th Street to 6th Street
- Hotmix pavement from 6th Street to 16th Street
- Re-lay existing brick in crosswalks on side streets

NEXT STEPS

1. Finalize Schematic

2. Plan Development

- Environmental Clearance
- Relocation of Utilities
- Encroachments

3. Project Letting

- Currently scheduled for January 2026
- Possibly sooner

OPEN DISCUSSION/ WRAP-UP

Thank you.
