

**TxDOT Open House on FM 2986 (Wildcat Drive) Widening Project
November 1, 2017**

On November 1, 2017 the Texas Department of Transportation (TxDOT), Corpus Christi District will hold a public open house to provide information, answer questions, and gather public feedback on a proposed project to widen Farm to Market (FM) 2986 (Wildcat Drive) from U.S. Highway (US) 181 to FM 3239 (Buddy Ganem Drive) in San Patricio County. The proposed project is approximately 2.2 miles long and is located on the north side of the City of Portland and near the Town of Gregory. TxDOT is proposing to convert the existing two-lane roadway to a four-lane roadway with a center turn lane. In addition the proposed project would include construction of curb and gutter, storm drains, and a 10-ft bicycle/pedestrian shared use path.

The proposed project would provide enhanced mobility within the project area by adding two travel lanes and a bicycle/pedestrian shared use path.

Time: 4:30 p.m. – 7:00 p.m.

Format: All members of the public are welcome to visit the open house to view project information, meet the project team, ask questions and provide comments on the proposed project.

Location: Portland Community Center, Bluff Ballroom, 2000 Billy G. Webb, Portland, TX 78374

The public open house will be conducted in English. Anyone interested in attending the meeting who has special communication or accommodation needs, or needs an interpreter, is encouraged to call (361) 808-2509. Requests should be made at least two days prior to the public meeting. Every reasonable effort will be made to accommodate special needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
