This notice advises the public that the Texas Department of Transportation (TxDOT) has issued a final environmental assessment (EA) for the proposed US 77 Woodsboro-Refugio Improvement Project and that the final EA is available for public review. The project would upgrade the corridor as part of the future development of Interstate 69 (I-69) to meet interstate standards. This includes upgrading existing and new location facilities to a 4-lane divided freeway with controlled access (exit/entrance ramps and overpasses). The proposed project would extend for a total of approximately 13 miles, beginning just south of Woodsboro and ending approximately 3 miles north of Refugio.

The approved final EA is on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Corpus Christi District Office, 1701 S. Padre Island Dr., Corpus Christi, TX 78416. It is also available online at www.txdot.gov, keyword search: "US 77 Final EA".

Pursuant to 23 CFR 771.119(h), TxDOT will issue a finding of no significant impact (FONSI) for this project no sooner than 30 days after the issuance of this notice of availability.

For further information or to request a copy of the approved final EA, please contact Kimberly Amy at 361-808-2509 or Kimberly.Amy@txdot.gov.

The EA is written in English. If you need an interpreter or document translator because English is not your primary language or have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services, or are a person with a disability who requires an accommodation to review the EA, please contact Kimberly Amy at 361-808-2509 no later than 4 p.m. CT, at least three business days before the date on which you would like to review the EA. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.
