The Texas Department of Transportation (TxDOT) will be holding a Public Meeting in an open-house format, for the proposed project, Interstate 10 (I-10) Culberson County Safety Rest Areas, from 8.5 Miles East of Van Horn to Evergreen Road in Culberson County, Texas. The meeting will be held on:

**Tuesday November 13, 2018, 5:00 p.m. to 7:00 p.m. CST**  
**at Van Horn High School Cafeteria,**  
**400 West 7th St, Van Horn, TX 79855**

The meeting will be held in an open house format with no formal presentation. The purpose of the meeting is to present the planned improvements to the public and gather input on the proposed project. The project team will be on hand to answer questions. Maps of the project area and other displays will be available for review and comment.

The proposed improvements would consist of two safety rest areas, one north and one south of I-10, including on- and off-ramps on both the north and south sides of I-10 to access the safety rest areas. To accommodate each safety rest area, both parking lots would be constructed to include 28 standard 11 x 20-foot spaces for passenger cars and a minimum of 28 tractor-trailer parking spaces measuring 15 x 80 feet in size. In addition, a pump house, playground, one group picnic arbor, and five single picnic arbors would be built on the grounds of each rest area. The proposed project is anticipated to require up to approximately 82.44 acres of additional right of way, within areas owned by University Lands. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition may be obtained from the district office at the address listed below.

Written comments may be submitted either at the public meeting or in writing within 15 calendar days after the meeting. Written comments may be submitted in person, by mail, or email to Alan Gonzalez, P.E., Project Manager, TxDOT El Paso District, 13301 Gateway Boulevard West, El Paso, TX 79928-5410 or [Alan.Gonzalez@txdot.gov](mailto:Alan.Gonzalez@txdot.gov).
