

# INTERACTIVE COMMENT MAP

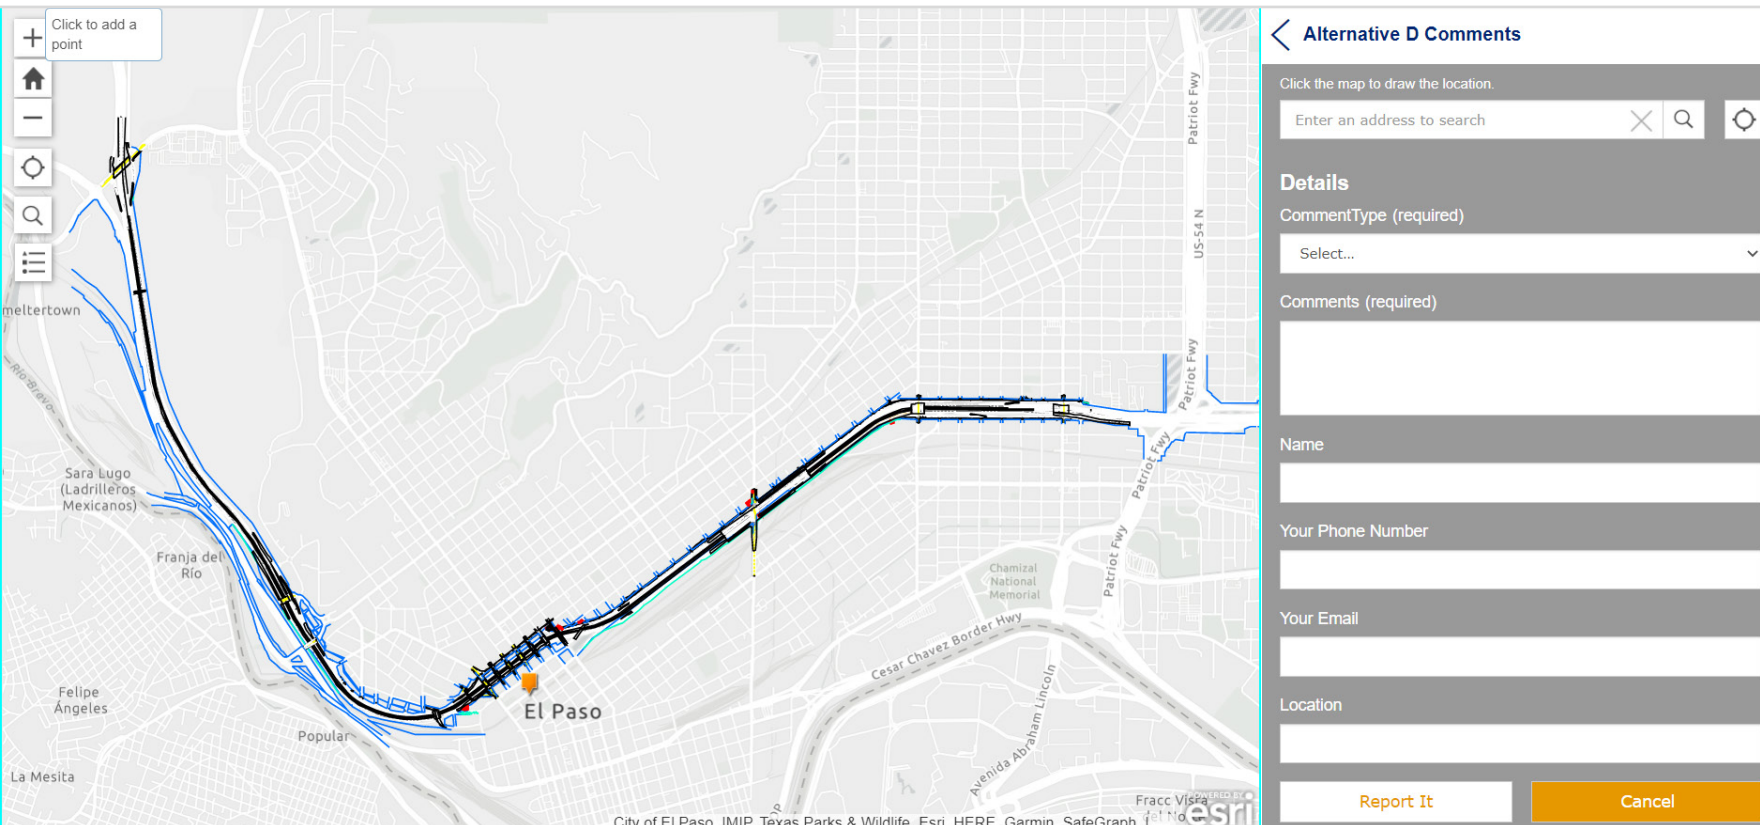

## WE WANT YOUR INPUT

Your comments are vital for TxDOT to understand your interests, concerns, and needs within the project limits. TxDOT will read, discuss, and consider adjustments to the project based on your comments and overall feedback. It is for this reason, we ask for you to take moment, and provide comments within the interactive comment map.

Access the online interactive map [here](#).

Feel free to explore the map and provide multiple comments at your convenience. Thank you for your input.

## DETAILED DIRECTIONS FOR LEAVING A COMMENT

To access the online interactive comment map, [click here](#) and a new browser window will open.

Once there, click **“proceed as guest.”**

You will see an interactive map on the left and a tab for each of the viable alternatives on the right. You can click on each alternative, zoom in and click through the map to see locations, streets, and other participant’s comments.

To leave a comment, please follow these steps:

- 1 Click “submit comment” on the right side in gold.
- 2 You should see a comment form with a prompt to indicate a location for your comment. A location can be provided by clicking on the map at the spot where you would like to leave your comment.
- 3 Once the location field has been populated, please let us know what type (category) of comment you intend to provide.
- 4 After a comment has been categorized, please leave a detailed comment within the comment box.
- 5 If you would like for TxDOT to contact you regarding your comment please fill out your contact information. Any contact information provided will be kept private.
- 6 Once your comment is completed, click “report it.” Doing so will send the comment to TxDOT.
