Thank you for attending today's Public Meeting. The Texas Department of Transportation (TxDOT) welcomes you!

Today's Public Meeting is about the Horizon Boulevard (FM 1281) Corridor Master Plan. The Horizon Boulevard (FM 1281) corridor extends 9.4 miles from Alameda Avenue (SH 20) to Ascension Street. Horizon Boulevard connects the communities of City of Socorro, Sparks, and Town of Horizon City, as well as parks, schools, neighborhoods, and various businesses. The corridor is expected to experience increased growth in the future, with many new developments. To better prepare for this growth, TxDOT is developing a Corridor Master Plan to identify current and future transportation needs along Horizon Boulevard.

The Public Meeting purpose is to gather input from the public about the future needs of the corridor.

No formal presentation will be given.

JANUARY 31, 2019 MEETING
