Horizon City, Texas

FEBRUARY 21, 2018

5:00 PM - 7:00 PM

Socorro City Hall/Rio Vista Complex
City Council Chambers

860 Rio Vista Road
Socorro, Texas

Horizon Boulevard (FM 1281) Corridor Study

The Texas Department of Transportation (TxDOT) is developing a Corridor Master Plan to identify current and future transportation needs along Horizon Boulevard (FM 1281).

The Horizon Boulevard (FM 1281) Corridor Master Plan will study an approximately 9.4 mile section of Horizon Boulevard (FM 1281) between Alameda Avenue (SH 20) and Ascension Street. The Corridor Master Plan Study will define existing transportation challenges and opportunities and consider, evaluate, and provide possible solutions; document and evaluate the community's future vision regarding transportation; and develop a set of recommendations to enhance safety and mobility.

Public is a key element to the success of this Corridor Master Plan. TxDOT will host two rounds of public meetings. The first round of public meetings will be held on February 20, 2018 and February 21, 2018, as come and go open houses at the locations listed above. The same information will be presented on both dates.
