

Notice of Online Comment Opportunity
Texas Department of Transportation
2021 - 2024 Rural Transportation Improvement Program Revision
El Paso District

The Texas Department of Transportation (TxDOT) El Paso District is conducting outreach to provide the public with an online comment opportunity for the proposed revision to the 2021-2024 Rural Transportation Improvement Program (RTIP). An in-person or virtual public meeting is not scheduled; however, the public is encouraged to view project information and submit comments about the revision by Thursday, Jan. 28, 2021.

The purpose of the online comment opportunity is to receive comments on the revision to the 2021-2024 Rural Transportation Improvement Program (RTIP) for the El Paso TxDOT District. The project that will be affected by the revision is 1158-05-002 in Culberson County, which is the construction of a new roadway that will extend FM 2185 and create a connection to RM 652 via FM 3541. This project is to be removed from the 2021-2024 RTIP.

The 2021-2024 RTIP meeting(s) was held in the Spring pursuant to *Title 43, Texas Administrative Code, Section 16.102*, which calls for an opportunity for public comment concerning the program. As a continuation of the public involvement effort, the online comment opportunity will offer the public a chance to comment on the revision to the previously presented RTIP.
