## RURAL TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

### The Rural TIP

*These are projects everyone uses!*

**The Rural TIP is a list of all added capacity and regionally significant projects to be funded within TxDOT District over the next four years, including those eligible for federal funding.**

Transportation projects for the following counties are included in the District program.

- Brewster
- Culberson
- Hudspeth
- Jeff Davis
- Presidio

### How the Rural TIP impacts you

#### Projects in the Rural TIP help your community

These are projects everyone uses, By helping prioritize projects, you are helping the community get the projects it needs.

*Make sure the priorities of your community are properly represented.*

### How are the projects selected?

**Projects are identified and selected by evaluating current conditions and projections, statewide and regional plans as well as considering public input regarding transportation priorities.**

#### **TxDOT (through its District Offices) :**

Selects projects relating to the State Transportation System and other National roadways.

#### **Local governments :**

Select projects and roadways outside the State system.

**Projects get classified into main categories:**

#### **Regionally Significant Projects**

- Those with the appropriate scale or reach to be considered as stand-alone projects in a given program year.

#### **Grouped Projects**

- Do not have the scale to be considered on their own but are still necessary to address safety issues and community improvement.

# Funding

“The El Paso District has a total of **59 projects** included in the Rural TIP with a total estimated **cost of \$244 M**”

## Did you know?

Transportation projects *cannot* receive federal funding unless they are included in the Rural TIP

The Rural TIP not only helps in getting federal funding, but by functioning as a budgeting tool for the District it also allows for the identification of fund-matching requirements by state and local governments.

A project in the Rural TIP can get funding from one of the State’s Unified Transportation Program funding categories.

*A funded project is one step closer to helping your community.*
