## RURAL TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

### The Rural TIP

The Rural TIP is a list of all added capacity and regionally significant projects proposed to be funded within a TxDOT district over the next four years, including those eligible for federal funding.

Transportation projects for the following counties are included in the district program.

- ERATH
- JACK
- PALO PINTO
- SOMERVELL

### How the Rural TIP impacts you

#### Projects in the Rural TIP help your community

By helping prioritize projects, you are helping the community get the projects it needs.

*These are projects everyone uses!*

*Make sure the priorities of your community are properly represented.*

### How are the projects selected?

*Projects are identified and selected by evaluating current conditions and projections, statewide and regional plans, as well as considering public input regarding transportation priorities.*

#### TxDOT (through its district offices)

Selects projects relating to the state transportation system and other national roadways.

#### Local governments

Select projects and roadways outside the State system.

Projects get classified into main categories:

**Regionally Significant Projects or Grouped Projects.**

#### **Regionally Significant Projects**

- Those with the appropriate scale or reach to be considered as stand-alone projects in a given program year.

#### **Grouped Projects**

- Do not have the scale to be considered on their own but are still necessary to address safety issues and community improvement.

# Funding

The **Fort Worth District** has an estimated total of over **75 projects\*** included in the Rural TIP.

\* Subject to change.

**Did you know?**

Transportation projects **cannot** receive federal funding unless they are included in the Rural TIP

The Rural TIP not only helps in getting federal funding, but by functioning as a budgeting tool for the district it also allows for the identification of fund-matching requirements by state and local governments.

A project in the Rural TIP can get funding from one of the State's Unified Transportation Program funding categories.

***A funded project is one step closer to helping your community.***
