Final Environmental Assessment
Available for Public Review
East-West Connector (Rental Car Drive)
From SH 360 to International Parkway
CSJs: 0902-48-712, 0902-90-034
Tarrant County, Texas**

This notice advises the public that the Texas Department of Transportation (TxDOT) has issued a final environmental assessment (EA) for the proposed East-West Connector (Rental Car Drive) project, and that the final EA is available for public review. The proposed project would be a new roadway from SH 360 to International Parkway in Tarrant County, Texas.

The approved final EA is on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at DFW Design, Code, and Construction Office, 3003 S. Service Road, DFW Airport, Texas 75261 and TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, Texas 76133. It is also available online at www.txdot.gov keyword search, "East-West Connector."

Pursuant to 23 CFR 771.119(h), TxDOT will issue a finding of no significant impact (FONSI) for this project no sooner than 30 days after the issuance of this notice of availability.

For further information or to request a copy of the approved final EA, please contact Jacqueline Carter, Project Manager - DFW Airport, at (972) 973-1888 or jccarter@dfwairport.com.

The EA is written in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to review the EA, please contact Jacqueline Carter at (972) 973-1888 no later than 4 p.m. CT, at least three business days before the date on which you would like to review the EA. Please be aware that advance notice is required as some services and accommodations may require time for DFW Airport to arrange.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
