

FM 1884 Project Factsheet

TxDOT FORT WORTH DISTRICT

Estimated Project Milestones

Schematic Design Approval – Spring 2024

Environmental Approval – Spring 2024

Right-of-Way Acquisition – Spring 2026

Utility Coordination – Fall 2027

Begin Construction – Spring 2027 **based on availability of construction funding**

Construction Complete – Fall 2029 **based on availability of construction funding**

PROJECT OVERVIEW

Highway/Limits: FM 1884 from SH 171 to south of B.B. Fielder Road in Parker County, Texas

Project ID: CSJ: 1601-02-028

Project Length: Approximately 2.16 miles

Description: This proposed project would reconstruct and widen FM 1884 from SH 171 to south of B.B. Fielder Road from an existing two-lane rural roadway with a center turn lane to a four-lane urban roadway with a curbed median. Bicycle and pedestrian improvements including a 6-foot-wide sidewalk, 10-foot-wide shared use path, and curb and gutters to facilitate drainage are also being considered. The project also proposes to realign the intersection with Tin Top Road and to add U-turn lanes and signals at the I-20 interchange.

Construction Cost: The proposed project would have an estimated construction cost of approximately \$42.6 million.

Right-of-Way: The proposed project would require 17.9 acres of new right-of-way and seven commercial displacements.
