

**Notice
Virtual Public Meeting with In-Person Option**

**FM 1884
From SH 171 to south of B.B. Fielder Road
CSJ: 1601-02-028
Parker County, Texas**

The Texas Department of Transportation (TxDOT) is proposing to reconstruct and widen FM 1884 from SH 171 to south of B.B. Fielder Road in Parker County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Thursday, Nov. 30, 2023, at 8:00 a.m.** To log onto the virtual public meeting, go to the following web address at the date and time indicated above: www.txdot.gov keyword search "FM 1884 in Parker County". Please note that the virtual public meeting will not be available on the website until the time and date listed above and is not a live event. Following the virtual public meeting, the presentation will remain available for viewing at the web address indicated above until Friday, Dec. 15, 2023, at 11:59 p.m. If you do not have internet access, you may call Iffat Talukder, P.E., at (817) 370-6593 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. The in-person option will follow an "open house" format and in-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants from a socially distanced approach, and leave written comments. **The in-person option will be held on Thursday, Nov. 30, 2023, from 5:30 p.m. to 7:30 p.m. at Weatherford High School Cafeteria, 2121 Bethel Road, Weatherford, Texas 76087.**

This proposed project would reconstruct and widen 2.16 miles of FM 1884 from SH 171 to south of B.B. Fielder Road from an existing two-lane rural roadway with a center turn lane to a four-lane urban roadway with a curbed median. Bicycle and pedestrian improvements including a 6-foot-wide sidewalk, 10-foot-wide shared-use path, and curb and gutters to facilitate drainage are also being considered. The project also proposes to realign the intersection with Tin Top Road and to add U-turn lanes and signals at the I-20 interchange.

The proposed project would, subject to final design considerations, require additional right-of-way, approximately 17.9 acres, and potentially displace seven commercial properties. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT district office at the address listed below.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file

and available for inspection, by appointment, Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Fort Worth District Office located at 2501 S.W. Loop 820 Fort Worth, TX 76133. This information will also be available for inspection at the meeting.

The virtual public meeting and in-person option will be conducted in English and some materials will also be provided in Spanish. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the public meeting, please contact Iffat Talukder, P.E., at (817) 370-6593 no later than 4 p.m. CT, Monday, Nov. 27, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted at the meeting. Written comments may also be submitted by mail to the TxDOT Fort Worth District Office, Attn: Iffat Talukder, P.E., 2501 S.W. Loop 820 Fort Worth, TX 76133. Written comments may also be submitted by email to Iffat.Talukder@txdot.gov. **All comments must be received on or before Friday, Dec. 15, 2023.** Responses to comments received will be available at www.txdot.gov, keyword search "FM 1884 in Parker County" once they have been prepared.

If you have any general questions or concerns regarding the proposed project or the meeting, please contact the TxDOT project manager, Iffat Talukder, P.E., at (817) 370-6593 or Iffat.Talukder@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
