PROJECT OVERVIEW

Highway/Limits: From I-35W to Newt Patterson Road in Tarrant County, Texas

Project ID: 1330-02-048

Project Length: Approximately 8.12 miles

Project Description: The proposed project would widen the existing roadway from a two-lane rural to a four or six-lane urban divided roadway with shared-use paths to increase capacity and enhance safety along the corridor. The project consists of improvements to existing and proposed cross street intersections, drainage, bicycle and pedestrian accommodations, as well as overall safety enhancements on the roadway.

Construction Cost: The proposed project would have an estimated construction cost of approximately \$162M.

Funding: The proposed project is not currently funded for construction.

Right of Way: The proposed project would, subject to final design considerations, require additional right of way and potentially displace residences or nonresidential structures.
