

FM 1187 IMPROVEMENTS

From Chisholm Trail Parkway to McCart Avenue

Project Overview

Description

TxDOT is proposing the reconstruction and widening of FM 1187 from west of Chisholm Trail Parkway to McCart Avenue in Tarrant County. The proposed improvements would convert the roadway from two lanes with a center turn-lane to four lanes with a curbed center median to enhance safety, capacity, and connectivity. Bicycle and pedestrian improvements, including a 10-ft-wide shared-use path on both sides, and curb and gutter for drainage are proposed.

Project ID

1330-01-068

Highway/Limits

FM 1187 (Crowley Plover Rd), from west of Chisholm Trail Parkway to McCart Avenue, in Crowley, Tarrant County, Texas.

Construction Cost

\$85 million *(Estimated cost does not include right-of-way acquisition or utility relocation costs.)*

Funding Status

Not funded

Project Length

Approximately 3.6 miles

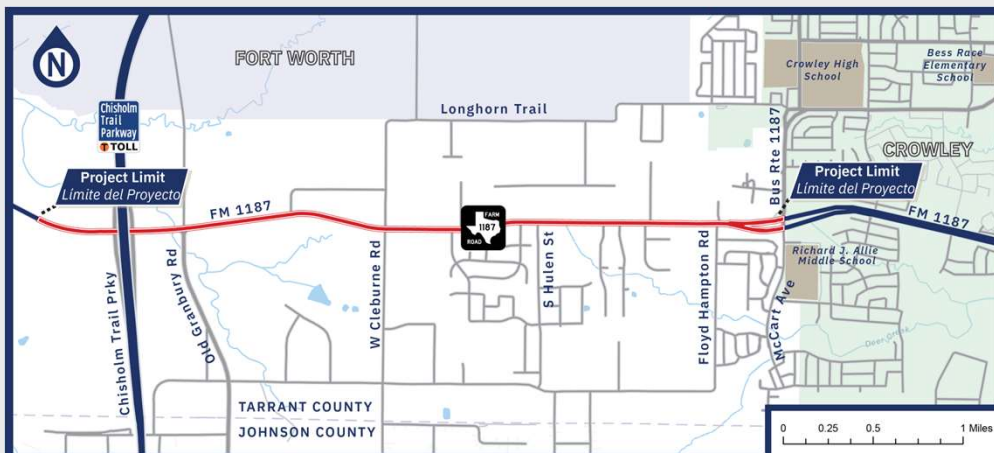

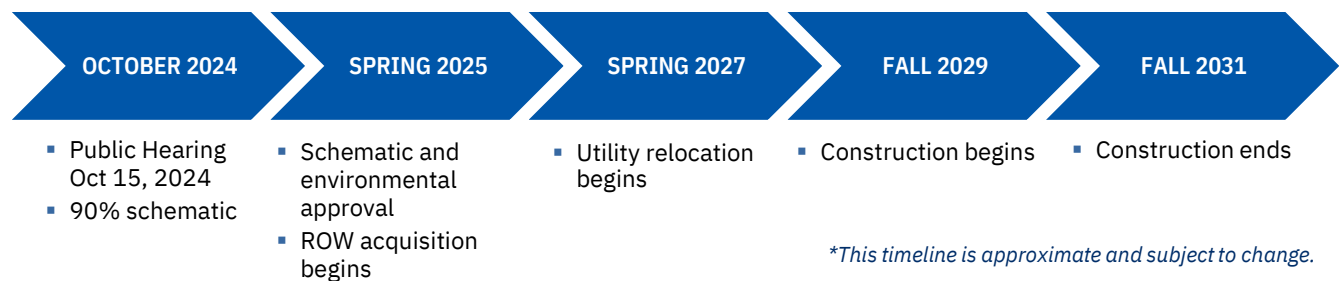

Right of Way

Additional right of way will be required for this project, affecting seven non-residential properties and 49 acres.

Project Purpose

- Enhance safety
- Increase capacity and accommodate increasing travel demand—now and in the future
- Improve connectivity in the region
- Add shared-use paths for bike and pedestrian accommodation. These paths will be connected to future pathways throughout the region.

Estimated Project Milestones*
