

**NOTICE OF PUBLIC MEETING**  
**Interstate Highway 20 (I-20) Westbound Entrance Ramp**  
**West of Campus Drive Relocation**  
**CSJ: 0008-13-234**  
**Tarrant County, Texas**

The Texas Department of Transportation (TxDOT) is proposing to replace the existing westbound entrance ramp west of Campus Drive along I-20 and relocate it approximately 1,250 feet to the west of its current location in the City of Fort Worth, Tarrant County, Texas. The limits of the proposed improvements include Fort Worth & Western Railroad (FWWR) to Campus Drive. The total length is approximately 0.8 miles. The purpose of the meeting is to present the ramp design, and receive public comments on the proposed project. The public meeting will be an open house format with no formal presentation. It will be held on:

**Tuesday, May 28, 2019**  
**6 p.m. – 8 p.m.**  
**Worth Baptist Church**  
**4900 Campus Drive**  
**Fort Worth, Texas 76119**

The goal of the project is to facilitate access to westbound I-20 from the Department of Veterans Affairs – Fort Worth Outpatient Clinic without impacting traffic upstream and downstream of the ramp. The existing right of way (ROW) width of westbound I-20 and the frontage road is 175 feet. No additional ROW would be required for the proposed project. It would not result in any residential or non-residential displacements.

Maps and drawings reflecting the proposed project will be displayed at the public meeting. The meeting will be an open house format allowing interested stakeholders to come and go at their convenience. Any maps showing the project location and design and other information regarding the project are on file and available for inspection Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, Texas 76133.

Verbal and written comments regarding the proposed project may be presented at the public meeting. Written comments may also be submitted on or before, June 12, 2019, to the TxDOT Fort Worth District Office, (Attention: Nicholas V. Spencer, P.E., 2501 SW Loop 820, Fort Worth, TX 76133); to be included in the public meeting record. For additional information please contact Nicholas V. Spencer, P.E. via phone (817) 370-6570 or e-mail: [nicholas.spencer@txdot.gov](mailto:nicholas.spencer@txdot.gov).

All interested persons are invited to attend this public meeting. Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact Tanya Fitzgerald at (817) 370-6610 at least five (5) work days prior to the public meeting. Requests for language interpreters or other special communication needs should also be made at least five (5) work days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by the Federal Highway Administration and TxDOT.
