

I-35W Segment 2 Project

FORT WORTH DISTRICT

PROJECT OVERVIEW

Highway/Limits: I-35W Segment 2 from FM 3391/East Renfro Street to East CR 405 in Johnson County, Texas

CSJs: 0014-03-098 and 0014-04-089

Project Length: Approximately 13 miles

Description: The Texas Department of Transportation (TxDOT) is proposing improvements to Interstate I-35W from Farm-to-Market (FM) 3391/East Renfro Street to East County Road (CR) 405. The proposed project is approximately 13 miles long and extends through portions of the cities of Burleson, Briaroaks and Alvarado within Johnson County, Texas. The purpose of the I-35W Segment 2 project is to evaluate the reconstruction and widening of the existing I-35W corridor and to evaluate improvements to the frontage roads, ramps, and cross streets, including the I-35W/US Highway 67 interchange within the project limits.

Construction Cost: The proposed project would have an estimated preliminary construction cost of approximately \$600 million.

Right of Way: The proposed project alternatives and the potential need for additional right of way are currently being determined.
