CSJ: 2855-01-022

The Texas Department of Transportation (TxDOT) will hold a public meeting to discuss the proposed improvements to Ranch-to-Market (RM) 2871 (Longview Avenue/Chapin School Road) from I-30 to US 377 in Tarrant County. The purpose of the meeting is to present the alternative designs and to receive public comment on the proposed project. The public meeting will be an open house format with no formal presentation held on:

Thursday, March 19, 2020
HighRidge Church
10100 Rolling Hills Dr.
Fort Worth, TX 76126
6 to 8 p.m.

The proposed improvements to RM 2871 include reconstructing and widening the existing roadway to a 4-lane divided urban roadway with a 6-foot to 18-foot wide raised-curb median from US 377 in the City of Benbrook north to I-30 in the City of Fort Worth for approximately 5.12 miles along RM 2871. Additional improvements being evaluated include an overpass bridge of RM 2871 over the Union Pacific Railroad (UPRR) and Aledo Road. The proposed project would enhance safety and mobility. The project would also include additional left and right turn bays, improvements to existing intersections, and bicycle and pedestrian accommodations on both sides of RM 2871. The project alternatives would require approximately 1 to 16 acres of additional right-of-way; depending on the alternative selected.

Maps and drawings reflecting the proposed alternatives will be displayed at the public meeting. The meeting will be an open house format allowing interested stakeholders to come and go at their convenience. Information about the proposed project will be available for public inspection from Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT South Tarrant County Area Office, 2540 Edgecliff Road, Fort Worth, Texas 76133.
