Virtual Public Meeting with In-Person Option**

**SH 114
From FM 1709 to Trophy Lake Drive
CSJs: 0353-03-109, 0353-02-084
Tarrant and Denton Counties, Texas**

TxDOT Fort Worth District is proposing to improve SH 114 from FM 1709 to Trophy Lake Drive in Tarrant and Denton Counties, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Thursday, August 15 at 10 a.m. and will remain online for at least 15 days.** To view the virtual public meeting, go to the following web address at the date and time indicated above: www.txdot.gov and search "SH 114 to Trophy Lake Drive." If you do not have internet access, you may call 817-370-6772 between the hours of 8 a.m. and 4 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. The in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants, and leave written comments. **The in-person option will be held on Thursday, August 15, 2024, from 6 p.m. to 8 p.m. at The Terraces at Solana Conference Center Rooms 3 & 4, 1500 Solana Boulevard, Building 7, Westlake, TX 76262.**

The proposed SH 114 project extends approximately 7.8 miles from FM 1709 (Southlake Boulevard) in the City of Grapevine to Trophy Lake Drive in the Town of Trophy Club. The proposed improvements include adding one main lane in each direction within the center median area, reversing entrance/exit ramps between N. White Chapel Boulevard and Kimball Avenue, and connecting shared-use paths/sidewalks. The existing SH 114 is a six-lane divided roadway (three 12-foot-wide travel lanes in each direction) with 12-foot-wide inside and 10-foot-wide outside shoulders and center median to separate directions of travel. Two-lane to three-lane, one-way frontage roads are located on each side of the roadway, with new sections under construction to provide continuous frontage roads throughout the project limits.

Additional right of way for the proposed project is being evaluated and subject to final design considerations. No residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by calling 817-370-6772.

The proposed project could involve construction in wetlands. Potential project impacts have not been determined at this time.

The proposed project would involve an action in a floodplain.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file

and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the Fort Worth District Office, 2501 SW Loop 820, Fort Worth, Texas 76133, and at 817-370-6744. These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Tom Marquardt, P.E., Project Manager, TxDOT Fort Worth District, at 817-370-6772, no later than 4 p.m. CT, Monday, August 12, 2024. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

La reunión pública virtual y la opción presencial se llevarán a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en reunión pública virtual y opción en persona, por favor póngase en contacto con Tom Marquardt, P.E., Gerente de Proyecto, Distrito TxDOT de Fort Worth, al 817-370-6772, a más tardar a las 4 p.m. hora central, del lunes, 12 de agosto de 2024. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que TxDOT los organice.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, Texas 76133. Written comments may also be submitted by email to sbeal1-c@txdot.gov. All comments must be received on or before Friday, August 30, 2024. Responses to comments received will be available online at www.txdot.gov and search "SH 114 to Trophy Lake Drive" once they have been prepared.

If you have any general questions regarding the proposed project or virtual meeting or in-person option, please contact Tom Marquardt, P.E., TxDOT Project Manager, at 817-370-6772 or Thomas.Marquardt@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
