This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation with audio and visual components, maps, and other project materials. The meeting will be posted online Thursday, July 25, 2024, at 5 p.m., until Friday, Aug. 9, 2024, at 11:59 p.m.** To view the virtual public meeting, go to the following web address during the date and time indicated above: www.txdot.gov and search “SH 170 from east of I-35W to Intermodal Parkway,” or scan the QR code on the top right-hand corner of this notice. If you do not have internet access, you may call (817) 370-6572 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option. The in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants, and leave written comments. **The in-person option will be held on Thursday, July 25, 2024, from 5 p.m. to 7 p.m. at the Dallas/Fort Worth Marriott Hotel & Golf Club at Champions Circle, Guadalupe Room, 3300 Champions Pkwy, Fort Worth, TX 76177.**

The proposed project would construct an elevated direct connector bridge beginning on the SH 170 main lanes east of I-35W to Intermodal Parkway, a distance of approximately 1.8 miles. This would improve connectivity and provide access for SH 170 traffic (including truck traffic) accessing Intermodal Port and the Perot Field Fort Worth Alliance Airport.

Although additional right of way is anticipated to be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by calling Nazrul Chowdhury at (817) 370-6572.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection by appointment by calling (817) 370-6572, Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, Texas 76133.
