

VIRTUAL PUBLIC MEETING NOTICE
US 377 in Hood County
From Holmes Drive to 3,000 feet north of FM 167 (Fall Creek Highway),
including SH 144 from Autumn Ridge Road to FM 51 (Paluxy Road)
Hood County, Texas
CSJs: 0080-04-081, 0080-03-049, 0080-04-094 and 0080-03-060

The Texas Department of Transportation (TxDOT) Fort Worth District is proposing improvements to United States Highway (US) 377 from Holmes Drive to 3,000 feet north of Farm to Market Road (FM) 167 (Fall Creek Highway), a distance of approximately 9 miles, and State Highway (SH) 144 from Autumn Ridge Road to FM 51 (Paluxy Road), a distance of approximately 0.4 miles, in the city of Granbury, Hood County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting for the proposed project beginning Tuesday, May 4, 2021, at 6 p.m. To log onto the virtual public meeting, go to the following web address at the date and time indicated above: www.txdot.gov Search: "US 377 in Hood County." Project staff will give a pre-recorded video presentation that will include both audio and visual components. Project maps and materials will also be available online. Please note that the presentation will not be available on the website until the time and date listed above. Following the virtual public meeting, the presentation will remain available for viewing at the web address indicated above until Wednesday, May 19, 2021, at 11:59 p.m. If you do not have internet access, you may call Dr. Francis A. Smith, PE, at (817) 370-6708 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions about the project and access project materials during the project development process. Formal written comments may be provided by mail or email as explained below.

The proposed project design would reconstruct and widen US 377 from a four-lane divided highway to a six-lane divided highway with a raised, concrete median. The project would plan for adding capacity to US 377 from Holmes Drive to 3,000 feet north of FM 167, and would improve cross street interchanges, ramps and driveway connections. The proposed project also includes the addition of shared-use paths in each direction for bicycle and pedestrian accommodations, and drainage improvements along the corridor. A breakout project for early implementation would include improvements to the US 377/SH 144 interchange from FM 51 to the north end of the Brazos River Bridge, and SH 144 from Autumn Ridge Road to FM 51.

The proposed project would, subject to final design considerations, require additional right-of-way and potentially displace residences and non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT district office by calling (817) 370-6500.

Any environmental maps, drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at www.txdot.gov Search: "US 377 in Hood County."

The virtual public meeting will be conducted in English and Spanish. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Jillian North at (817) 370-6817 no later than 4 p.m. Thursday, April 29, 2021. Please be aware that advance notice is requested as some accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to TxDOT Fort Worth District Office, Attention: Dr. Francis A. Smith, PE, 2501 Southwest Loop 820, Fort Worth, Texas 76133. Written comments may also be submitted by email to francis.smith@txdot.gov. All comments must be received on or before Wednesday, May 19, 2021. Responses to comments received will be available online at www.txdot.gov Search "US 377 in Hood County" once they have been prepared.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Dr. Francis A. Smith, PE, by phone at (817) 370-6708 or email at francis.smith@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019 and executed by the Federal Highway Administration and TxDOT.
