

NOTICE
Virtual Public Meeting with an In-person Option
US 67 from FM 199 to BUS 67 (Walls Drive/W. Henderson Street)
Johnson and Somervell County, Texas
CSJs: 0259-04-041, 0259-03-059, 0422-03-037

The Texas Department of Transportation (TxDOT) is proposing to widen and reconstruct US 67 from FM 199 to BUS 67 (Walls Drive/W. Henderson Street) in Johnson and Somervell County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by **Thursday, December 8, 2022 at 6 p.m.** To log onto the virtual public meeting, go to the following web address at the date and time indicated above: www.txdot.gov – search keyword: **US 67** or go to URL: <https://www.txdot.gov/projects/projects-studies/fort-worth/us67.html>. Project staff will give a pre-recorded presentation regarding the project. The presentation will include both audio and visual components. Please note that the presentation will not be available on the website until the time and date listed above. Following the virtual public meeting, the presentation will remain available for viewing at the web address indicated above until Dec. 23, 2022 at 5 p.m. If you do not have internet access, you may call Dr. Francis A. Smith, P.E. at (817) 370-6708 to ask questions about the project and access project materials at any time during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants, and leave written comments. The in-person option will be held on Thursday December 8, 2022 from 6 p.m. to 8 p.m. at Cleburne Convention Center, Brazos Exhibit Hall, 1501 W Henderson St, Cleburne, TX 76033.

The proposed improvements would include the widening and reconstruction of US 67 from a two-lane undivided, rural highway to a four-lane divided, rural highway with a wide, grassy median. The US 67 widening project includes approximately 12.6 miles of improvements from FM 199 to Business 67. The project would require the acquisition of approximately 256.3 acres of new right of way and easements. Minor tie-in improvements are proposed at the US 67 intersections with CR 308/CR 406, CR 1119, CR 1120, CR 1226, CR 1224, CR 2331, Park Road 21, CR 1116, FM 1434/CR 1123, Westlake Road, and Chisholm Trail Road. At CR 1119, the existing tie-in is proposed to be realigned to provide a perpendicular connection with US 67.

The proposed project would, subject to final design considerations, require additional right of way and potentially displace 2 residences and 4 non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT district office by calling Bill McCoy at (817) 370-6950.

One NRHP-Eligible property, the Chas F. Williams Roadside Park, a Section 4(f) and/or Parks and Wildlife Code, Chapter 26 resource, is located in the project area. No impacts for this property are anticipated.

Any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at www.txdot.gov Search: **US 67** or go to URL: <https://www.txdot.gov/projects/projects-studies/fort-worth/us67.html>.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact **Dr. Francis A. Smith, P.E., TxDOT Project Manager, at (817) 370-6708** no later than 4 p.m. CT, Tuesday December 6, 2022. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Fort Worth District Office, 2501 SW Loop 820, Fort Worth, TX 76133. Written comments may also be submitted by email to Francis.Smith@txdot.gov. All comments must be received on or before December 23, 2022. Responses to comments received will be available online at www.txdot.gov once they have been prepared.

If you have any general questions or concerns regarding the proposed project or virtual meeting or in-person option, please contact Dr. Francis A. Smith, P.E., TxDOT Project Manager, at (817) 370-6708 or Francis.Smith@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
