**Virtual Public Meeting with In-Person Open House**  
**FM 1764**  
**From West of SH 3 to 14th Street**  
**Control Section Jobs (CSJ): 1607-01-055 and 1607-01-057**  
**Galveston County, Texas**

The Texas Department of Transportation (TxDOT), Houston District, is proposing improvements along Farm-to-Market (FM) 1764 from west of State Highway (SH) 3 to 14th Street in Texas City, Texas. This notice advises the public that the project team will be conducting an on-line virtual public meeting on the proposed project with an in-person open house. **The Virtual Public Meeting will be available starting on Tuesday, April 2, 2024, by 5 p.m.** The Virtual Public Meeting will consist of a pre-recorded video presentation and will include both audio and visual components. To view the Virtual Public Meeting presentation and view project information, visit: [www.txdot.gov/projects/hearings-meetings.html](http://www.txdot.gov/projects/hearings-meetings.html).

Please note that the presentation will not be available on the website until the time and date listed above. If you do not have internet access, you may call (713) 802-5199 between the hours of 7 a.m. to 4 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Formal comments may be provided by mail or email as explained below.

Additionally, TxDOT is providing an in-person open house option for individuals who would like to participate. In-person attendees will be able to view the same pre-recorded presentation as posted online, review hard copies of project materials, ask questions, and submit written comments in any language. **The in-person open house will be held on Thursday, April 4, 2024, from 5 to 7 p.m. at Our Lady of Fatima Catholic School at 1600 9<sup>th</sup> Avenue North, Texas City, Texas 77590.**

The proposed project would restore approximately 4.8 miles of roadway surface plus new pavement striping throughout the project limits. The SH 146 intersection would be reconstructed and restriped and the continuous outer right-turn lane in both directions from 34<sup>th</sup> Street to 21<sup>st</sup> Street would be converted into a through traffic lane. The existing 4-foot-wide sidewalks would be widened to 5–6 feet and new pedestrian push buttons would be added to select traffic signals. Existing curb ramps would be remediated to comply with the Americans with Disabilities Act (ADA) standards, and new curb ramps would be installed where they do not currently exist. The project would also perform repairs under the FM 1764 bridge between 34<sup>th</sup> Street and 33<sup>rd</sup> Street.

Approximately 1.33 acres for temporary driveway licenses would be required where the existing sidewalk leaves the existing right-of-way (ROW). No permanent additional ROW is required, and no residential or non-residential structures are anticipated to be displaced. Information concerning services and benefits available to affected property owners and information about the tentative schedule for temporary driveway license acquisition may be obtained by contacting Rebecca Byford, Pedestrian Facility Project Manager, at (512) 416-2749 or via email at [Rebecca.Byford@txdot.gov](mailto:Rebecca.Byford@txdot.gov).

The proposed project would involve construction in wetlands. The proposed project would involve an action in a floodplain.

Any environmental documentation or studies, maps, and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for review Monday through Friday between the hours of 8 a.m. to 5 p.m. at the TxDOT Houston District Office, 7600 Washington Avenue, Houston, Texas 77007. Project materials are also available online at [www.txdot.gov/projects/hearings-meetings.html](http://www.txdot.gov/projects/hearings-meetings.html).

The Public Meeting will be conducted in English and Spanish. If you need an interpreter or document translator because English or Spanish is not your primary language or you have difficulty communicating effectively in English or Spanish, one will be provided to you free-of-charge. If you
