

# Farm-to-Market (FM) 1960

From East Gatewick Road to Interstate- (I) 69

Virtual Public Meeting: Between Tuesday, September 13, 2022 and Friday, September 30, 2022

In-Person Public Meeting: Thursday, September 15, 2022 5 p.m. to 7:30 p.m.

## Welcome to the Public Meeting

The Texas Department of Transportation (TxDOT) welcomes you to this hybrid (in-person and virtual) public meeting for the proposed improvements along FM 1960 in Harris County, Texas. This public meeting is being held to engage with the public and receive input regarding the proposed project.

This public meeting is being conducted both virtually and in-person. The virtual option includes a pre-recorded presentation in English and Spanish. You are invited to view the narrated presentation, learn about the proposed improvements, and provide your input to the project team. The in-person option will include the same information and materials presented in the virtual option.

Public comments are encouraged. Please see details on the following page.

## Project Summary

### Project Limits:

FM 1960 from East Gatewick Road to Interstate—(I) 69

### Project Location:

Harris County, TX

### Project Length:

Approximately 9 miles

### Estimated Construction Cost/Timeline:

\$4.5 million

Approximately 12-18 months beginning Summer 2023

### Right of Way Required:

No additional right of way required

### Potential Displacements:

No displacements

### Project Reference Number:

CSJ: 1685-02-056

## Proposed Project Description

The proposed improvements would construct a raised median using landscape pavers with widths varying from 14 to 18 feet wide with left turn lanes along approximately 9 miles of FM 1960 from just west of East Gatewick Road to just west of I-69. Signal timing improvements are proposed at 12 intersections within the project area. Median openings and dedicated left turn lanes would be located throughout the corridor. The project would take place within existing right of way and no displacements are anticipated.

### How to Participate

VIRTUAL OPTION: Starting Tuesday, September 13, 2022 at 5 p.m. through Friday, September 30, 2022 . Visit [www.txdot.gov](http://www.txdot.gov), keyword search "FM 1960 from East Gatewick"

IN-PERSON OPTION: Thursday, September 15, 2022 from 5 p.m. to 7:30 p.m., at Nimitz High School — Aldine ISD (2005 W. W. Thorne Drive)

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and Memorandum of Understanding dated December 9, 2019, and executed by FHWA TxDOT.

## Why is this project proposed?

The project is needed to reduce crashes, alleviate traffic congestion, improve traffic flow, enhance multi-modal access, and improve access for existing and future development.

## Next Steps

- Consider public comments  
Late Summer 2022
- Finalize environmental analysis  
Fall 2022
- Complete final design  
Late 2022
- Construction anticipated to begin  
Summer 2023

## How to Get Involved

The public is invited to participate in the project development process by reviewing the materials online or in-person and submitting comments.

You may submit comments in English or Spanish in the following ways:

- Place the comment card in the Comment Box at the in-person option
- Send the comment card via U.S. Mail to:  
**TxDOT Houston District**  
**Director of Advanced Project Development**  
**Texas Department of Transportation**  
**P.O. Box 1386**  
**Houston, Texas 77251-1386**
- Submit comments via email to:  
Hou-piowebmail@txdot.gov
- Enter a comment online at the virtual meeting page by clicking “downloads” and entering comments in the online form (see bottom of page for website address)

All comments are due by **September 30, 2022**, in order to be considered in the official public meeting summary.

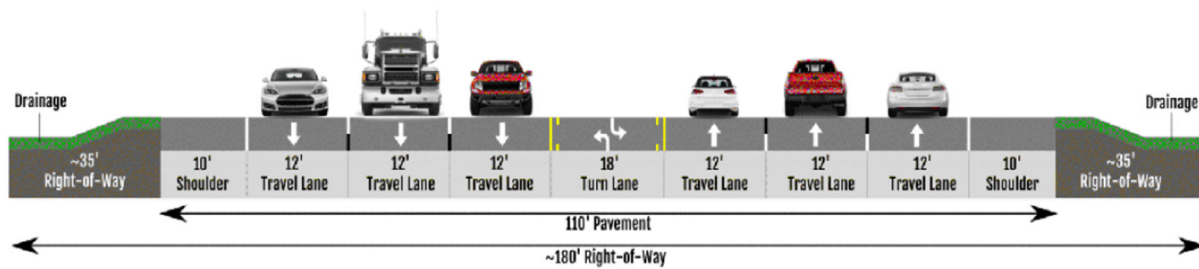

Documentation of this Public Meeting will be available online at the above web address approximately 3 months after the comment period ends. This report will contain responses to all comments received by the due date.

Please reference the Project Reference Number (CSJ: 1685-02-056 (SS) in any communication.
