

**YOU'RE INVITED!**

## Public Meeting

The Texas Department of Transportation (TxDOT) invites you to a virtual public meeting with open houses. TxDOT is conducting a feasibility study of Interstate (I)-610 South from Farm-to-Market 521 (Almeda Road) to Telephone Road. This public meeting is the first of several meetings that TxDOT will conduct to engage the community and receive feedback.

### I-610/FM 521 (Almeda) to Telephone Road

Potential improvements, or alternatives, will be developed for I-610 South based on public and stakeholder input, along with analysis of current and future needs. The alternatives will then move forward into project development, which includes preliminary design and environmental review. Potential impacts and displacements will be determined as the proposed project progresses and will be presented at future public meetings.
