**Virtual Public Meeting with In-Person Open House**  
**I-45 North Houston Highway Improvement Project (NHHIP)**  
**US 59/I-69 at Spur 527 to I-45 at Beltway 8**  
**Harris County, Texas**

The Texas Department of Transportation (TxDOT) invites you to attend an in-person public meeting to discuss the Interstate (I) 45 North Houston Highway Improvement Project (NHHIP). **The Segment 3 In-Person Public Meeting is scheduled for Tuesday, April 28, 2026, from 5 to 7 p.m. at the Julia C. Hester House, located at 2020 Solo Street, Recreation Building #4, Houston, TX, 77020. The virtual public meeting will be available starting on Tuesday, April 28, 2026, by 5 p.m.** The virtual public meeting will consist of a pre-recorded video presentation and will include both audio and visual components. To view the virtual public meeting presentation and view project information, visit [www.txdot.gov/projects/hearings-meetings.html](http://www.txdot.gov/projects/hearings-meetings.html) or [www.txdot.gov/nhhip/public-engagement/public-meeting/2026.html](http://www.txdot.gov/nhhip/public-engagement/public-meeting/2026.html). Please note that the materials will not be available on the website until the time and date listed above. If you do not have internet access, you may call 713-802-5199 between the hours of 7 a.m. to 4 p.m., Monday through Friday, to ask questions and request materials. Formal comments may be provided by email or mail as explained below.

The I-45 NHHIP is designed to create additional roadway capacity to manage congestion, enhance safety, and improve mobility. The I-45 NHHIP Segment 3 encompasses the reconstruction of the downtown Houston freeway loop system, including I-45, I-69, I-10, and State Highway (SH) 288. In Segment 3, I-45 northbound will be rerouted from the west side of downtown Houston to run parallel with I-69 and I-10 until it exits the downtown area and continues north. Conversely, I-45 southbound will be rerouted to run parallel with I-10 and I-69 until it exits the downtown area and continues south.

The meeting will provide updates on Segment 3 project activities, including the status and requirements under the Voluntary Resolution Agreement (VRA) between TxDOT and the Federal Highway Administration (FHWA). A map depicting the full limits, including all three segments, is available at [www.txdot.gov/nhhip/about/project-map.html](http://www.txdot.gov/nhhip/about/project-map.html)

This meeting will also include proposed design changes for Segment 3C-1, seeking feedback from the public in an open-house format. Segment 3C-1 includes I-10 from Gregg Street to Waco Street, for a total length of approximately 0.75 miles. Since the Record of Decision (ROD) in 2021, the project team has continued to refine the design in Segment 3C-1 per discussions with the City of Houston (COH) and other stakeholders. The proposed changes include the addition of an outfall channel from I-10 to Buffalo Bayou to facilitate drainage, construction of a pump station, the addition of tie-back anchors to support deeper retaining walls, and the reconnection of a local street. These proposed design changes would require an additional 1.18 acres of new right of way (ROW), with one potential residential displacement, and approximately 3.0 acres of easement beyond the amount studied in the Final Environmental Impact Statement (FEIS)/ROD. A re-evaluation of the original environmental document will be completed to verify the original environmental decision remains valid.

Any environmental documentation or studies, maps, and drawings showing the project location and design, tentative construction schedules, and other information regarding the project are on file and available for review Monday through Friday by appointment between the hours of 8 a.m. to 5 p.m. at the TxDOT Houston District Office, 7600 Washington Avenue, Houston, Texas 77007. Please call 713-802-5199 to schedule an appointment. Project materials are also available online at:
