The Texas Department of Transportation (TxDOT) invites you to attend a virtual public meeting to discuss the I-45 North Houston Highway Improvement Project (NHHIP). **The Segments 3 Public Meeting is scheduled for Thursday, October 30, 2025, from 5 to 7 p.m.** The virtual public meeting will include live question and answer sessions on a variety of project topics. You may access the public meeting by visiting this link: **http://www.virtual.nhhippublicmeetings.com.**

The I-45 NHHIP is designed to create additional roadway capacity to manage congestion, enhance safety, and improve mobility. The project spans I-45 from I-69 to Beltway 8 North, including I-69 improvements between Spur 527 and I-45 in Harris County, Texas. This encompasses the reconstruction of the downtown freeway system, including I-45, I-69, I-10 and SH 288. I-45 will be rerouted from the west side of downtown Houston to run parallel with I-69 and I-10 until it exits the downtown area and continues north.

The public meeting will focus on the two NHHIP projects on which construction is occurring, Segment 3B-1 and Segment 3B-2, and the status of activities and requirements under the Voluntary Resolution Agreement (VRA) between TxDOT and the Federal Highway Administration (FHWA). A map depicting the full project limits, including each of the three segments, is available at (www.txdot.gov/nhhip).
