TxDOT is proposing to install raised medians on State Highway (SH) 3 from Interstate Highway 45 (I-45) to the Galveston County line in Harris County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project. The virtual public meeting will be available on the TxDOT website beginning Thursday July 15, 2021, at 4:00 P.M. To log onto the virtual public meeting, go to [www.txdot.gov](http://www.txdot.gov), keyword search "SH 3 from I 45". The virtual public meeting will consist of a pre-recorded presentation by the project team, project exhibits and other information. If you do not have internet access, you may call (713) 802-5244 to ask questions about the project and access project materials at any time during the project development process. Formal comments may be provided by mail, online or email as explained below.

The purpose of the virtual public meeting is to present the proposed project to the public and receive comments. TxDOT is proposing to make minor modifications to the existing medians from I-45 to Richey Street. The project would replace the continuous two-way left turn lane along SH 3 from Richey Street to the Galveston County line with raised medians. These raised medians would include left turn lanes in both directions to provide access to the cross-connecting roadways throughout the project area. No displacements are anticipated for this proposed project.

Maps showing the project location, drawings illustrating the proposed design, and other information regarding the proposed project will be available online at [www.txdot.gov](http://www.txdot.gov), keyword "SH 3 from I-45" at the date and time listed above.

The virtual public meeting materials will be provided in English and Spanish. An interpreter or document translator will be provided upon request if English or Spanish is not your primary language and/or you have difficulty communicating effectively in English or Spanish. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you are a person with a disability who requires an accommodation to attend the virtual public meeting, please contact the Project Manager at (713) 802-5244 or by email at [Stanley.Cooper@txdot.gov](mailto:Stanley.Cooper@txdot.gov) no later than 4:00 p.m., Monday, July 12, 2021. Please be aware that advanced notice is required as some accommodations may require time to arrange.
