Notice of Virtual Public Meeting with In-Person Open House

State Highway (SH) 99 (Grand Parkway)

From west of Springwoods Village Parkway to east of Townsen Boulevard/Imperial Promenade

Control Section Jobs (CSJ): 3510-06-020, 3510-06-022, 3510-06-038 and 3510-07-012

Harris and Montgomery Counties, Texas

The Texas Department of Transportation (TxDOT) is proposing to widen State Highway (SH) 99, also known as the Grand Parkway, from west of Springwoods Village Parkway to east of Townsen Boulevard/Imperial Promenade in Harris and Montgomery counties, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Tuesday, Sept. 22, 2026, by 5 p.m.** To view the virtual public meeting presentation and view project information, visit: www.txdot.gov/projects/hearings-meetings.html.

If you do not have internet access, you may call 713-802-5199 between the hours of 7 a.m. and 4 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person open house option for individuals who would like to participate in person. In-person attendees will be able to view the same pre-recorded presentation as posted online, review hard copies of project materials, ask questions and submit written comments in any language. **The in-person open house will be held on Thursday, Sept. 24, 2026, from 5:30 to 7:30 p.m. at York Junior High School (Cafeteria), 3515 Waterbend Cove, Spring, TX 77386.**

The proposed project would consist of widening SH 99 from west of Springwoods Village Parkway to east of Townsen Boulevard/Imperial Promenade, a distance of approximately 6.73 miles. Proposed improvements include the addition of two mainlanes (one in each direction) within the existing median between the two eastbound and two westbound

mainlanes, for a total of three main lanes in each direction. The proposed project would involve an action in a floodplain. The existing roadway is a tolled facility and would continue to be tolled in the proposed design. In addition to the widening, two new direct connectors are proposed within the project limits, one from southbound I-45 to eastbound SH 99, and another from westbound SH 99 to northbound I-45. The purpose of the proposed project is to manage congestion due to increased traffic based on an agreement between the State and seven counties through which SH 99 passes. The entire project would be constructed within existing TxDOT right of way and would not result in any residential or non-residential displacements.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for review by appointment Monday through Friday between the hours of 7 a.m. to 4 p.m. Please contact Gabriel Adame, TxDOT Public Engagement Coordinator, at 713-802-5199 or Gabriel.Adame@txdot.gov. Project materials are also available online at www.txdot.gov/projects/hearings-meetings.html.

The public meeting will be conducted in English and Spanish. If you need an interpreter or document translator because English or Spanish is not your primary language or have difficulty communicating effectively in English or Spanish, one will be provided to you free-of-charge. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the public meeting, please contact Gabriel Adame, no later than 4 p.m., Thursday, Sept. 17, 2026. Please be aware that advance notice is required as some services and accommodations may require time for the project team to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted in any language by mail to the TxDOT Houston District Office, Advanced Project Development, P.O. Box 1386, Houston, Texas 77251-1386. Written comments may also be submitted by email to HOU-PIOwebmail@txdot.gov. All comments must be received or postmarked by Friday, Oct. 9, 2026. Responses to

comments received will be available online at the web address listed above once completed.

If you have any general questions or concerns regarding the proposed project or the public meeting, please contact Gabriel Adame at 713-802-5199 or Gabriel.Adame@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated July 17, 2025, and executed by FHWA and TxDOT.
