

Notice
Virtual Public Meeting with In-Person Option
Avenue Q Downtown Revitalization
Lubbock County, Texas
CSJ: 0053-18-048

The Texas Department of Transportation (TxDOT) is proposing to revitalize downtown Avenue Q in the city of Lubbock in Lubbock County, Texas. This notice advises the public that TxDOT will be conducting a virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Wednesday, Jan. 26, 2022 at 4:30 p.m.** To log onto the virtual public meeting, go to the following web address at the date and time indicated above: visit [TxDOT.gov](https://www.txdot.gov) and keyword search "Avenue Q Revitalization". Following the virtual public meeting, the presentation will remain available for viewing at the web address indicated above. If you do not have internet access, you may call Kylan Francis, P.E., Director of Transportation Planning and Development (TP&D), at (806) 748-4490 to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff from a socially distanced approach, and leave written comments. The in-person option will be held on Wednesday, Jan. 26, 2022 from 4:30 pm to 6:30 pm in the Mesquite Training Center, Building D, at the TxDOT Lubbock District Office, 135 Slaton Road, Lubbock, TX 79404.

The proposed project will improve mobility and safety through downtown Lubbock on Avenue Q. TxDOT is proposing the rehabilitation of the roadway surface, sidewalks and ADA Ramps, and addition of a median from Marsha Sharp Freeway to 19th. This proposal would convert the existing Avenue Q through Downtown Lubbock into a pedestrian friendly facility from Marsha Sharp Freeway to 19th Street. The revitalization of Avenue Q will improve the safety of the public and reduce traffic accidents.

The proposed project options do not require additional right-of-way, and there will be no anticipated displacements.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Lubbock District Office, 135 Slaton Rd., Lubbock, TX 79404. Project materials are also available online at [TxDOT.gov](https://www.txdot.gov) and keyword search "Avenue Q Revitalization". These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Dianah Ascencio, TxDOT Lubbock District Public Information Officer, at (806) 748-4472 no later than 4 p.m. on Friday, Jan. 21, 2022. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments may be submitted by mail to Kylan Francis, P.E., TP&D, 135 Slaton Rd., Lubbock, TX 79404, by email to lbb_projects@txdot.gov or online. All comments must be received on or before Thursday, Feb. 10, 2022. Responses to comments received will be available online at [TxDOT.gov](https://www.txdot.gov) once they have been prepared.

If you have any general questions or concerns regarding the proposed project or virtual meeting or in-person option, please contact Kylan Francis, P.E., Director TP&D, by calling (806) 748-4490, or email lbb_projects@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
