You're Invited!

Virtual Public Hearing with In-Person Option
SH 7 (Main St) at Lanana Creek Bridge Replacement

You're Invited! – Spanish translation

Virtual Public Hearing with In-Person Option
SH 7 (Main St) at Lanana Creek Bridge Replacement

Virtual meeting materials will be posted by 5 p.m. on Thursday, Aug. 1, 2024. Public comments must be submitted by Friday, Aug. 16, 2024 to be included in the meeting summary report.

The Texas Department of Transportation (TxDOT) is proposing to replace the existing bridge on SH 7 over Lanana Creek in Nacogdoches County, Texas. Proposed improvements also include replacing the existing structure with a 4-lane bridge, with two 12-foot lanes in either direction, 4-foot shoulders, and 6-foot sidewalks on either side of the road. The new bridge will also accommodate users of the La Nana Creek Trail by increasing clearance underneath the bridge.

The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components including a link to submit comments. The in-person meeting will provide the same information available online and TxDOT staff will be present to answer questions.

1805 N. Timberland Drive
Lufkin, TX 75901
